

Thursday, June 6, 2019
Connecticut Convention Center
Hartford, CT

Get involved in this regional, multi-track event hosted by the Connecticut Partners for Health, in collaboration with the **Primary Care Coalition of CT and CT Choosing Wisely Collaborative**. This annual educational forum, which draws over 500 healthcare providers, clinicians and patients each year, focuses on assisting healthcare providers to help patients manage their own health and healthcare through reliable information and resources.

In addition to learning from and engaging with dynamic speakers, attendees will have the opportunity to connect with vendors showcasing state-of-the-art consumer healthcare innovation as well as poster presentations highlighting ongoing research and innovation in primary care.
